Spread	0.41%	0.49%	0.74%	-	-

* Source : Amundi. The above cover complete periods of 12 months for each calendar year. **Past performance is no predictor of current and future results and does not guarantee future yield** . Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.

Important information

The Fund presents an unmeasurable risk of capital loss. Past performance in no way serves as either an indication of future results or a guarantee of future returns. For further information about the risks and before making any investment, refer to the Key Investor Information Document (KIID) and the prospectus for each fund, available in French on request or on the website: amundiETF.fr The information contained in this document has been obtained from sources believed to be reliable. Amundi cannot, however, ensure that the information is accurate and reserves the right to amend the analyses presented above at any time. This document is of a non-contractual nature and in no way constitutes a recommendation, solicitation of an offer or an offer regarding a purchase, sale or exchange relating to the Fund described herein, and must under no circumstances be interpreted as such. The transparency policy and information on the composition of the funds' assets are available at amundiETF.com. The indicative net asset value is published by the stock markets. Fund units purchased on the secondary market cannot generally be resold directly to the Fund. Investors must buy and sell units on a secondary market with the assistance of an intermediary (e.g. a broker) and may, in this case, have to pay charges. In addition, it is possible that investors may pay more than the current net asset value when they buy units and receive less than the current net asset value when they sell. Complete list of brokers and marketmakers available at : amundiETF.com Financial intermediary fees apply.

This document is designed exclusively for institutional, professional, qualified or sophisticated investors and distributors. It is not meant for the general public or private clients of any jurisdiction or those qualified as 'US Persons'. Approved investors in regard to the European Union are those which are defined as "Professional" investors in Directive 2004/39/EC of 21 April 2004 "MiFID" or, as the case may be, as defined under each local legislation and, insofar as the offer in Switzerland is concerned, "qualified investors" as set forth in the federal Law on Collective Investments (LPCC), the Ordinance on collective investments of 22 November 2006 (OPCC) and the FINMA 08/8 Circular regarding the legislation on collective investments of 20 November 2008. This document shall not, under any circumstance, be sent within the European Union to non "Professional" investors as defined by the MFI or under each local legislation, or in Switzerland to those investors which are not defined as "qualified investors" in the applicable law and regulations.
