

Ofi Invest ESG Euro Equity

Monthly Factsheet - Equities - November 2024

Investment policy :

The fund aims to outperform the Euro Stoxx 50 NR over the long term, mainly through the use of non-financial criteria. However, the long-term approach that underpins the investment objective, and the use of under- and overweight coefficients for stocks in the portfolio, can result in performance diverging from that of the fund's benchmark.

Registered in: FRA  DEU  AUT  ITA
