Fund performance is representative of the GBP I Accumulating Class and has been calculated to account for the deduction of fees. Investors who subscribe in a currency other than the base currency of the fund should note that returns may increase or decrease as a result of currency fluctuations. **Fund performance does not take account of any commission or costs incurred by investors when subscribing for or redeeming shares.** Where a benchmark is shown, the benchmark shown is provided in the base currency of the fund and therefore may not be a fair representative comparison to the hedged currency share class shown. The difference in the currency exposure and currency fluctuations in an unhedged benchmark may cause an unintended differential in any performance or risk comparison.
